

# Be a volunteer

2ND CHANCE Institute it is not made to offer profit to its managers and decision makers, but to offer profit to society. To you, your children and grandchildren.

But, in order to reach our goals, we need to cover our expenses with the kind contribution of our sponsors, but mainly we need volunteers.

At this point we need to make our program known to the people and governments around the world and for that we need YOU.

We need your valuable support.

We need you to apply by filling up the form below and soon we will verify your application and let you know for the next steps.

You must be;

- at least 18 years old,
- able to speak English in a basic communication level
- a fluent speaker of the native language of the country in which you want to operate.

For your contribution we do not offer any financial or other benefit, rather than the feeling that you are doing the most for the people of your society.

And our programme is not only for people. Soonest the programme operates in a specific country, in this country we will also support the stray dogs, cats and all the other animals too.

Because every living organism it worths a second chance.
